Allocation for development of waterways

145. SHRI RAMDAS AGARWAL: Will the Minister of SURFACE TRANSPORT be pleased to state:

(a) what provisions were made by the Inland Waterways Authority of India during the Ninth-Plan period for the development of three National Waterways as well as new waterways keeping in view the fact that IWT (Inland Water Transport) represents a significant resource for India;

(b) how far the objectives emphasised by the National Transport Policy Committee have been fulfilled; and

(c) whether money allotted during the Eighth Plan period has been spent in this regard and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF SURFACE TRANSPORT PR. DEBENDRA PRADHAN): (a) Against the projected requirement of Rs. 1701 crores by the Working Group on Ninth Plan, only a sum of Rs. 308 crores has been tentatively agreed to by the Planning Commission. Out of this amount, Rs. 264 crores is for the development of the existing 3 National Waterways, Rs. 10 crores for the development of new waterways and Rs. 34 crores for other schemes.

(b) National Transport Policy Committee have identified ten waterways for declaration as National Waterways out of which three waterways have been declared as National Waterways. New waterways will be declared keeping in view of the availability of funds during the 9th Plan.

(c) No, Sir. The entire money could not be utilised during 8th Plan due to inadequate manpower, delay in conceptualisation of schemes and absence of overall strategy.

Double laning of National Highway-44

146. SHRI KHAGEN DAS: Will the Minister of SURFACE TRANSPORT be pleased to state:

(a) whether Government has received a proposal from the State Government for double laning of the National High way-44 in Tripura; and

(b) by when will the double laning work be undertaken?

THE MINISTER OF STATE IN THE MINISTRY OF SURFACE TRANSPORT (DR. DEBENDRA PRADHAN): (a) and (b) National Highway 44 in Tripura is being developed and maintained by Border Roads Organisation. The National Highway is already double lane in about 26 km and Government has accepted the need to widen the remaining length also in phases within the availability of funds. Sanctioning of the project and start of the work will depend upon inter-se-priority of the project and availa- bility of fund.
